

# *Class Supply List for Diamond in the Rough*

Class is designed to be a process class, not a project class. The following supplies will allow you to make two or three blocks that can be turned into a table runner or added to after class to make a larger quilt. Do not stress about the “right fabrics”. Almost any fabrics will do for making a sample and learning the technique.

Do not purchase the pattern. It will be provided as part of your handout. Once you return home, armed with your new skills and knowledge, you can proceed to make a larger project.
