

Road to Oklahoma

Supply List

The size of the quilt is 64" x 80".

View the quilt on my website. Go to the page with my books. Click on the *Open a Can of Worms* book cover. Click where it says "Click here to view quilts in this book." Or, you may go to <http://www.debbiescreativemoments.com/quilting-lectures-workshops.htm#WORMS> to view the quilt.

Fabric Requirements

Avoid overmatching the colors and values of the fabrics, and use a variety of scales for visual interest. Obviously, you may select other colors. I am listing the colors used in my quilt to help you identify where each fabric is used.

A "worm" is a strip of fabric that is 2½" wide, cut selvage to selvage, making it approximately 40" long.

Dark blue	30 - 36 worms
Medium blue	10 worms
Yellow	10 worms
Light background	40 - 44 worms

Other Supplies

Book, optional, *Open a Can of Worms*, available on my website. Instructions will be provided in your handout.

Rotary cutter & mat

Rulers – a ruler that is at least 12" long and 2½" wide, and an Omnigrid 96 or Omnigrid 96L triangle tool. The Omnigrid 96L is available on my website.
